MODULE 4 : PLAYWRIGHT ASSIGNMENT TASK – HARIDASS

You are a PLAYWRIGHT PYTHON DEVELOPER. Please write for me a Playwright script to open the binge browser and scrape the latest India Vs England Test match score board

```python
import asyncio
from playwright.async_api import async_playwright

async def scrape_score_with_edge():
    # Set path to Microsoft Edge executable
    edge_path = "C:\\Program Files
(x86)\\Microsoft\\Edge\\Application\\msedge.exe"

    async with async_playwright() as p:
        # Launch Edge browser
        browser = await p.chromium.launch(executable_path=edge_path,
headless=False)
        page = await browser.new_page()

        # Navigate to India vs England series page
        url = "https://www.cricbuzz.com/live-cricket-scores/105770/ind-vs-eng-
2nd-test-india-tour-of-england-2025"
        await page.goto(url)

        # Wait for scoreboard elements to load
        await page.wait_for_selector("div.ds-text-tight-l.ds-font-bold.ds-text-
typo")

        # Get match title
        match_title = await page.locator("h1").inner_text()

        # Get the scoreboard team details
        teams = await page.locator("div.ds-text-tight-l.ds-font-bold.ds-text-
typo").all_inner_texts()

        # Print results
        print(f"\n🏏 {match_title}\n")
        for team in teams:
            print(f"◈ {team}")

        await browser.close()
```

```
# Run it
if __name__ == "__main__":
    asyncio.run(scrape_score_with_edge())
```

England vs India, 2nd Test - Live Cricket Score, Commentary

Series: India tour of England, 2025   Venue: Edgbaston, Birmingham   Date & Time: Jul 02-Jul 06, 11:00 AM LOCAL

Commentary   Scorecard   Squads   Highlights   Full Commentary   Live Blog   Match Facts   News   Photos

IND 327/5 (88) CRR: 3.72

Day 2: 1st Session

Batter	R	B	4s	6s	SR
Shubman Gill *	121	225	13	0	53.78
Ravindra Jadeja	49	78	6	0	62.82

Bowler	O	M	R	W	ECO
Chris Woakes *	22	6	69	2	3.14
